

BENSON K MATHEW

Senior Revenue Operations Specialist

bensonkmathew01@gmail.com | +91-9645153329 | [linkedin.com/in/benson-k-mathew](https://www.linkedin.com/in/benson-k-mathew)

PROFESSIONAL SUMMARY

Results-driven Revenue Operations Specialist with 4.5 years of experience optimizing go-to-market processes, improving pipeline visibility, and enabling data-driven decision making. Experienced in scaling RevOps functions from Business Analyst to enterprise-wide revenue operations. Strong expertise in Salesforce, Power BI, and revenue analytics. Dual MBA graduate (Business Intelligence & Analytics, Finance) with a proven track record of building and scaling RevOps infrastructure including CRM systems, pipeline reporting, improving forecast accuracy, and driving cross-functional alignment across sales, marketing, and customer success.

PROFESSIONAL EXPERIENCE

Senior Revenue Operations Specialist | **Syncron** | Bengaluru, Karnataka

Jan 2024 - Present

- Architect and maintain end-to-end revenue operations infrastructure across CRM (Salesforce), marketing automation, and BI tools, reducing data discrepancies by **35%**.
- Lead quarterly business reviews by building executive-facing dashboards and pipeline health reports, improving forecast accuracy and enabling data-driven decision making across sales and revenue leadership.
- Owned QBR and MBR reporting for GTM reviews, supporting the RevOps Director and CRO with performance analysis across sales and marketing against targets.
- Partner with Sales, Marketing, and Customer Success leadership to design and implement a unified lead-to-cash process, cutting average deal cycle time by **18%**.
- Manage territory planning and quota-setting process for a **30+ person** Sales/BDR and Partner organization, aligning capacity to revenue targets.
- Contributed to building and implementing an in-house CPQ system, reducing quote turnaround time by **40%** and standardizing pricing across the sales team.
- Designed and optimized CRM lifecycle stages and pipeline structures (new business, renewals, expansion) to improve funnel visibility and reporting accuracy.
- Developed and maintained **25+** automated dashboards, reports, and alerts, enabling real-time performance tracking for senior leadership.
- Acted as team lead for a 2-member Business Analyst team, overseeing task allocation, onboarding, interviews, and ramp-up.

Revenue Operations Analyst | **Syncron** | Bengaluru, Karnataka

Jan 2022 - Dec 2023

- Managed and supported Salesforce data integrity, workflow automation, and routing rules.
- Developed and maintained KPI and performance dashboards in Power BI, improving visibility into business performance.
- Built and automated weekly sales performance reports using Salesforce and Power BI, saving **8+ hours** of manual reporting per week for sales, marketing, and CSM teams.
- Assisted in onboarding **15 new sales reps**, delivering CRM training and creating documentation for internal processes.
- Conducted in-depth data analysis and created visualizations to support reporting and analysis needs across product and sales teams.
- Gathered and defined requirements from business stakeholders, translating needs into functional documentation and user stories for development teams.
- Contributed to lead generation analytics by building reports that tracked pipeline health and identified growth opportunities.
- Contributed to the design and rollout of a new sales process, partnering with Finance and Sales leadership.
